

No Data

**It is advisable to make
a unique tool id barcode
for each and every
stacked barcode
tool printed/created in case
of a print scaling or
tool arrangement
problem**

Format:

vg#<yyyymmdd date_printed>_

eg. vg#20110504_dc_01

vg#20110504_dc_02

**Then make certain people
scan it at the beginning
of the day**
